INNOVATION

Wood Line

Nuestro innovador y exclusivo programa con perfiles de aluminio recubiertos en madera natural de roble. Todo el protagonismo de la madera como elemento diferenciador. Un nuevo enfoque de uso de materiales naturales en la separación de espacios interiores.

Our innovative and exclusive program with aluminum profiles covered in natural oak wood. All the prominence of wood as a differentiating element. A new approach to the use of natural materials in the separation of interior spaces.

Notre programme innovant et exclusif avec des profilés en aluminium plaqué en bois de chêne naturel. Toute l'importance du bois comme élément différenciant. Une nouvelle approche de l'utilisation de matériaux naturels dans la séparation des espaces intérieurs.
